## **TESTIMONIALS:**

“Brad not only has a sharp compositional eye but also an intuitive understanding of how a chosen narrative viewed through the lens, should best unfold later in editing. Needless to say I would have no hesitation in having Brad by my side again the next time I shoot.”

- Shane McNeil

Managing Director Twitch Film PTY LTD

“Brad has a broad technical knowledge complimented by an artistic eye for captivating cinematography. His ability to capture footage quickly and efficiently has been a tremendous asset on numerous documentary productions and international campaigns often produced in very difficult conditions and under time pressure.”

- David Ockenden

Managing Director Proetic Productions
